

About Portella Developments

Incorporated in 2000, Portella Developments has established a reputation as a quality builder, both in terms of design and finish.

It has completed projects across a spectrum of developments, residential housing & apartments, office, commercial & industrial buildings, educational & sporting facilities.

Our projects are uniquely managed with forward planning, innovation and flexibility. As one of the leading private developers creating both living and work space in Wicklow, Portella has achieved recognised success both in the construction of homes and the completion of a successful commercial business park.
